CURRICULUM VITAE

Melvin Rosenblatt, M.D.

24 Stanton Circle

New Rochelle, New York, 10804

Telephone (203) 330-0248

Fax (203) 330-9730

DATE OF BIRTH: December 21, 1958

PLACE OF BIRTH: Springfield, Massachusetts

CITIZENSHIP: United States

BUSINESS ADDRESS: Connecticut Image Guided Surgery, P.C.
501 King's Highway East, Suite 110
Fairfield, CT 06825

EDUCATION:

Downstate Medical College
Brooklyn, New York
Degree: Doctor of Medicine
1981-1985

Brooklyn College
Brooklyn, New York
Degree: Bachelor of Science
1977-1981

POSTGRADUATE TRAINING:

Maimonides Medical Center
Brooklyn, New York
Chief Resident-Diagnostic Radiology
1989-1990

Maimonides Medical Center
Brooklyn, New York
Residency-Diagnostic Radiology
1986-1990

Maimonides Medical Center
Brooklyn, New York
Internship-General Surgery
1985-1986

CONNECTICUT IMAGE

GUIDED SURGERY

FELLOWSHIP:

The Johns Hopkins Hospital
Baltimore, Maryland
Vascular and Interventional Radiology
1990-1991

ACADEMIC APPOINTMENTS:

Assistant Professor
Diagnostic Radiology / Vascular and
Interventional Radiology
Yale University School of Medicine
1991-1997

Associate Professor
Diagnostic Radiology / Vascular and
Interventional Radiology
Yale University School of Medicine
1997- 2001

Associate Clinical Professor
Diagnostic Radiology/Vascular and
Interventional
Radiology
Yale University School of Medicine
2002 - 2004

Associate Member
Department of Radiology
Memorial Sloan-Kettering Cancer Center
2002 - 2003

Clinical Associate Professor
New York University School of Medicine
2004 - 2005

CLINICAL APPOINTMENTS:

Attending Physician
Vascular and Interventional Radiology
Yale New Haven Hospital
1991 - 1998

Attending Physician & Clinical Section Chief
Vascular and Interventional Radiology

CONNECTICUT IMAGE

GUIDED SURGERY

Yale New Haven Hospital
1998 - 2001

Attending Physician
Vascular and Interventional Radiology
Yale New Haven Hospital
2002 - 2003

Attending Physician & Section Chief
West Haven Veterans Hospital
1991 - 2001

Director
Vascular and Interventional Radiology
Memorial Sloan-Kettering Cancer Center
2002

Attending Physician
Milford Hospital
Milford, CT
2002 - 2005

Medical Director
Connecticut Image Guided Surgery, P.C.
Connecticut Access Care
Fairfield, CT
2003 - Present

Attending Physician
St. Vincent's Medical Center
Bridgeport, CT
2003 - Present

Attending Physician
New York University Medical Center
New York, NY
2004 - 2005

Attending Physician
Bellevue Hospital
New York, NY
2004 - 2005

CONNECTICUT IMAGE

GUIDED SURGERY

Attending Physician
Hospital for Joint Diseases
New York, NY
2004 - 2005

Attending Physician
Stamford Hospital
Stamford, CT
2006 - 2012

CERTIFICATIONS:

Diplomat of National Board of Medical
Examiners
July 1986

Board Certification in Diagnostic Radiology
American Board of Radiology
June 1990

Certificate of Added Qualifications in
Interventional Radiology
American Board of Radiology
October 1996 & August 2006

Certification in Phlebology
American College of Phlebology
2008

LICENSURE:

Connecticut 031535
New York 169035-1

PROFESSIONAL SOCIETY MEMBERSHIPS:

Radiological Society of North America
1986 - Present

Society of Interventional Radiology
1990 - Present

American College of Phlebology
2003 - Present

CONNECTICUT IMAGE

GUIDED SURGERY

American Medical Association
2004 - Present

COMMITTEE MEMBERSHIP:

Venous Disease Forum
Society of Interventional Radiology
2003 - 2010

Professional Education Committee
American College of Phlebology
2006 - 2012

Speakers Bureau Committee
American College of Phlebology
2006 - 2011

Recruitment and Retention Committee
American College of Phlebology
2006 - 2011

Public Education Committee
American College of Phlebology
2006 - 2010
Chairman 2007 - 2010

Board of Directors
American College of Phlebology
2007 - Present

Secretary, Board of Directors
American College of Phlebology
2008 - 2010

Planning Committee
American College of Phlebology
22nd Annual Congress
2008

Planning Committee
American College of Phlebology
23rd Annual Congress
2009

CONNECTICUT IMAGE

GUIDED SURGERY

Chairman - Planning Committee
American College of Phlebology
24th Annual Congress
2010

President-Elect
American College of Phlebology
2010 and 2011

Planning Committee
American College of Phlebology
25th Annual Congress
2011

President
American College of Phlebology
2012 - Present

Chairman - CME Committee
American College of Phlebology
2012- Present

Board of Directors
American Board of Phlebology
2012 - Present

Board of Directors
American Board of Venous and Lymphatic
Medicine
2012 - Present

PATENTS:

1. Rosenblatt Longitudinally Aligned Dual Reservoir Access Port; Patent # 5833654
2. Hemodynamic Self-clearing Hemodialysis Access Catheter; Patent Pending
3. V-flow Catheter Lumen Configuration; Patent Pending

4. RF sensitive Heat Producing Embolic Agent for combined ischemic and thermal ablation of hypervascular tumors; Patent Pending

RESEARCH

CONNECTICUT IMAGE

GUIDED SURGERY

A Multi-Center Study of the Corvita Endoluminal Graft for the Treatment of Abdominal Aortic Aneurysms

Principal Investigator

Corvita Corp.

June 1998 - January 1999

A Prospective, Randomized Comparison of Percutaneous Transluminal Angioplasty (PTA) with or without the Corvita Endoluminal Vascular Graft (CEG) used as Immediate (Primary) or late (Suboptimal PTA) Adjunctive Therapy for the treatment of Iliac Artery Occlusive Disease.

Principal Investigator

Corvita, Corp.

August 1998 - December 1999

An Extended, Prospective, Multicenter Investigation of the Efficacy and safety of the Vasca LifeSite Hemodialysis Access System

Principal Investigator

Vasca, Inc.

June 1999 - 2002

A Randomized, Prospective, Multicenter, Comparative, Evaluation of the Wallstent Iliac Stent and Bard Memotherm Iliac Stent for the Treatment of Iliac Occlusive Disease

Principal Investigator

C.R. Bard, Inc

March 1999 - 2003

An Investigation of the Talent Endoluminal Spring Stent-Graft System for the Treatment of the Sub-Renal Abdominal Aortic Aneurysms in Patients Who Are Candidates for Standard Surgical Intervention (Low Risk Stock Study)

Medtronic World Medical Manufacturing Corp.

Co-Principal Investigator

September 1999 - 2009

An Investigation of the Talent LPS: A Low Profile Endoluminal Stent - Graft System for the Treatment of Sub-renal Abdominal Aortic Aneurysms in Patients Who Are Candidates for Standard Surgical Intervention (Low Risk)

Medtronic World Medical Manufacturing Corp.

Co-Principal Investigator

March 2000 - 2009

CONNECTICUT IMAGE

GUIDED SURGERY

A Prospective Observational Study of the FLAIR™ Endovascular Stent Graft Optimized Delivery System.

Principal Investigator

December 2007 - April 2008

A Prospective, Randomized, Concurrently-Controlled Post-Approval Study of the FLAIR™ Endovascular Stent graft (RENOVA Study).

Principle Investigator

January 2009 - Present

Prospective, Multi-Center, Randomized, Concurrently-Controlled Study of the FLUENCY PLUS Endovascular Stent Graft in the Treatment of In-stent Restenosis in the AV Access Venous Outflow Circuit (RESCUE)

June 2011 - Present

CONNECTICUT IMAGE

INVITED LECTURES & TEACHING EXPERIENCE

- March 1989 “Pleural Block: A New Technique for Regional Anesthesia During Percutaneous Hepatobiliary Drainage”
American Society of Regional Anesthesia
Annual Meeting
- November 1992 “Pulmonary Arteriovenous Malformations: What Size Should be Treated to Prevent Embolic Stroke?”
Radiological Society of North America Annual Meeting
Chicago, IL
- March 1993 “The Value of Endoscopy during Percutaneous Radiologic Intervention”
Society of Cardiovascular and Interventional Radiology
Annual Scientific Meeting
New Orleans, LA
- April 1993 “Percutaneous Management of Dialysis Access Grafts”
Nephrology Grand Rounds
Norwalk Hospital
Norwalk, CT
- June 1993 “Percutaneous Intervention for Renovascular Disease”
Yale Vascular Forum
Yale University School of Medicine
New Haven, CT
- July 1993 “Percutaneous Biliary Endoscopy”
International Symposium on Advanced Lapro-Endoscopic Surgery
Hellenic Society for Endoscopic Surgery
Athens, Greece
- September 1993 “Percutaneous Management of Failed and Failing Vascular Access in the Dialysis Patient”
ESRD Network of New England: Annual Meeting
Sturbridge, MA
- October 1993 “Percutaneous Management of Dialysis Access Grafts”
Nephrology Grand Rounds
Saint Johns Hospital, NY
